

Grand Bethel of Missouri and Guardian Council of Missouri Charity Project for 2007-08

To benefit the American Heart Association

Dear Missouri Job's Daughters:

We hope that every Bethel will support our joint efforts to raise funds for the Heart Association. Every family has been touched by the issues of Heart Disease, the number one killer in our country. Each Bethel is asked to consider donating one item to a treasure chest of items. Tickets for a possible chance to win one of the items will be sold throughout the year by the Grand Bethel and Grand Guardian Council officers. The drawings will take place at the Formal Banquet 2008.

Items already in our treasure chest include:

- Job's Daughter charm Bracelet with the 2007 charms and a JDI Charm attached from GBSP, Diane and Mom Donna and Dad Albert
- A hand made afghan from Mom Ginny Goede
- Electronic donation from Best Buy Fenton

Suggestions for gift items include electronics, gift certificates and other items that young girls or their adult sponsors might enjoy. We hope if you donate a gift certificate that they would be to places all over the state so that whoever might win the gift could use it!

Please bring your gift to Grand Session 2007 and give them to either Momma Donna, Dad Beal or GBSP Diane. We hope to have the treasurer chest on display by Saturday afternoon.

The second way you could help would be to purchase tickets from any Grand Bethel or Grand Guardian Council Officer during the year, or volunteer to sell them! Tickets will cost just \$1.00 or 6 for \$5.00. All proceeds will go to American Heart Association and will be presented at the Formal Opening 2008.

Thank you for your generosity,

GBSP Diane Lynch, PHQ
Momma Donna Goede, Vice Grand Guardian
Dad Albert Beal, Vice Associate Grand Guardian
